*Claim Rejections - 35 USC § 112*

The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

Claims 5-9, 17-25 and 34-41 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for the limitations of claim 5, including receiving an agreement regarding the sale of mortgage loans including terms, it does not reasonably provide enablement for making the determination without said step. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to practice the invention commensurate in scope with these claims.

Claims 5-9, 17-25 and 34-41 would be allowable by satisfying the above rejection.

Claims 45-48 are allowable.
